Dear Mr. Bukhari:

On September 14, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your September 22, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Line 21(a) should only be used to report the federal and non-federal shares of allocable activities. If your committee has only one account, the total operating expenditures (administrative expenses) should be reported on Line 21(b). Please amend your report to confirm the nature of your expenditures and to provide the total on the appropriate line.

-The total listed on Line 21, Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Line 21, Column B total.

-Please provide the total for Line 29, Columns A and B of the Detailed Summary Page.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B of your report to clarify the following descriptions: Reimburse Expenses and Expense Reimb. For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Neil Evans on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,
